

Abuse Policy for .MTN

Version 1.0

MTN Group Management Services ("MTN") has a zero tolerance approach to any abusive conduct, including but not limited to illegal or fraudulent actions, within the .MTN top level domain. MTN has established an abuse point of contact for reporting any concerns related to such conduct, details of which can be found on the [nic.MTN](#) web site. MTN will investigate any reports of abuse.

In the event of any suspected abusive or malicious conduct or suspected breach of the registration policy for .MTN, MTN may take any such action as MTN deems necessary including but not limited to suspending, locking, deleting or transferring the domain.

MTN will co-operate with government, quasi-governmental or law enforcement agencies to ensure the .MTN domain is a safe and trusted space on the internet.
